*A brand-new account, built from zero and handed to you.***WHAT IT IS**

The rarest thing I offer, and one very few Malaysian creators do at all. I build a brand-new TikTok or Instagram account for your brand from nothing, post to it daily for 30 days in a raw and real format that never reads as an ad, then hand the whole account over to you. You end up owning a seasoned channel rather than renting a placement.

WHAT YOU GET

- 👤 A new account created and set up from scratch
- 👤 30 daily posts across the month, made and scheduled by me
- 👤 Captions, hashtags and posting handled end to end
- 👤 Full account handover — logins, content and audience
- 👤 A channel with real history, not a cold start
