

*Shopee Live · TikTok Live*

Live Host

From RM 45 a slot on one platform, from RM 65 on both.

WHAT IT IS

I host your live selling sessions on **TikTok Live** and **Shopee Live** — remotely, from my own home studio. Book one platform, or run **both at the same time** from a single session and reach two audiences for one fee. You ship the product to me; I do the rest. I sell in **30-minute slots**, because a tight, well-prepared half hour on a few products converts better than four unfocused hours on everything you stock.

WHAT YOU GET

- 👂 Product research and a written run-of-show before we go live
- 👂 Scripted hooks and objection answers for each SKU
- 👂 Live hosting for every booked slot
- 👂 Comment engagement and real-time Q&A handled throughout
- 👂 A post-session note on what sold, what stalled and what to change
